Teaching Experiences

- 2019 Lecturer of **Health Informatics II** for undergraduate students of Health Information Technology, School of Allied Health Sciences, Army University of Medical Sciences, Tehran, Iran
- 2019 Lecturer of **Health Information Management in Disaster** for undergraduate students of Health Information Technology, School of Allied Health Sciences, Army University of Medical Sciences, Tehran, Iran
- 2019 Lecturer of **Health Information Resources Management** for undergraduate students of Health Information Technology, School of Allied Health Sciences, Army University of Medical Sciences, Tehran, Iran

- 2015 Lecturer of **Medical Information Systems course** for post graduate students of radiobiology, School of Allied Health Sciences, Tehran University of Medical Sciences, Tehran, Iran
- 2015 Lecturer of **Medical Ethics course** for undergraduate students of radiology, School of Allied Health Sciences, Army University of Medical Sciences, Tehran, Iran
- 2014 Lecturer of **Medical Information Systems course** for post graduate students of medical informatics, School of Allied Health Sciences, Tehran University of Medical Sciences, Tehran, Iran
- 2014 Lecturer of **Medical Ethics course** for undergraduate students of anesthesiology, School of Allied Health Sciences, Army University of Medical Sciences, Tehran, Iran
- 2012 Teacher assistant in **Information Technology course** for undergraduate students of dentistry, International Campus of Tehran University of University of Medical Sciences, Tehran, Iran
- 2011 Teacher assistant in **Information Technology course** for undergraduate students of dentistry, International Campus of Tehran University of University of Medical Sciences, Tehran, Iran
- 2010 Teacher assistant in **Information Technology course** for undergraduate students of dentistry, International Campus of Tehran University of Medical Sciences, Kish Island, Iran

Lectures Presented in Workshops

- September 2015 Lecturer of **Editing English Scientific Papers** for faculty members at School of Rehabilitation Sciences of Iran University of Medical Sciences
- October 2015 Lecturer of **Editing English Scientific Papers** for faculty members at School of Health Management and Information Sciences of Iran University of Medical Sciences
- November 2015 Lecturer of **Editing English Scientific Papers** for faculty members at Hasheminejad Kidney Center of Iran University of Medical Sciences
- December 2015 Lecturer of **Editing English Scientific Papers** for faculty members at Aliasghar Children's Hospital Iran University of Medical Sciences
- October 2011 Lecturer of **Searching and Information Retrieval in Medical Databases** Workshop for postgraduate and undergraduate students at

Research Interests

Injury surveillance systems, health informatics, consumer informatics, mHealth, information requirement analysis, conceptual development of information systems, evaluation of health information systems

Honors and Awards

- 2018 Holding **2nd rank in the class** with total GPA of 18.59/20 among PhD students, School of Health Management and Information Sciences, Iran University of Medical Sciences
- 2017 **Erasmus Mundus MARHABA award winner** as an exchange PhD student at University of Santiago de Compostela, Spain
- 2014 Holding the **4th national rank** in Health Information Management major in the entrance exam for PhD degree among Iranian Universities
- 2009 Holding the **2nd national rank** in Medical Library and Information Science major in the entrance exam for Master of Science degree among Iranian Universities
- 2009 Holding "**Talented Student**" position at Masters' degree, Tehran University of Medical Sciences
- 2008 Holding "**Talented Student**" position at Bachelor's degree, Shahid Beheshti University of Medical Sciences
- 2008 Holding "**Top Student**" rank with total GPA of 18.82/20 among 20 classmates, Shahid Beheshti University of Medical Sciences
- 2008 Rewarded as "**The Best Library and Information Science Student**", Iranian Medical Library and Information Science Association
- 2007 Holding "**The Best Researcher**" rank, Shahid Beheshti University of Medical Sciences
- 2007 Holding "**The Best Paper**" rank, presented in the 3rd Student Conference of Medical Library and Information Science, Shahid Beheshti University of Medical

Sciences

- 2006 Holding "**The Best Student**" rank, Educational Festival of Shahid Beheshti University of Medical Sciences

Research Skills

- Good command of English language (writing, speaking, listening, reading) and scientific writing
- Qualitative (NVivo, MAXQDA) and quantitative research
- Systematic literature reviews (PRISMA)
- Systematic searching in bibliographic databases
- Endnote & reference manager softwares
- Microsoft Office software (Word, PowerPoint, Excel), Microsoft Visio, Mind Mapping

Communication Skills

Management skills, research & teaching skills, teamwork player and ability to work as an individual, ability of public speaking and presentations, ability to work in high pressure environments
