

## **MEMORANDUM OF UNDERSTANDING**

*between  
Eastern Mediterranean University (EMU); Famagusta, North Cyprus  
and  
Tehran University of Medical Sciences (TUMS); Tehran, Iran*

*Eastern Mediterranean University (EMU) and Tehran University of Medical Sciences (TUMS),  
hereby agree upon the following terms and conditions as set forth in this Memorandum of  
Understanding on November 2, 2015.*

### **PURPOSE**

The aim of this Memorandum of Understanding is to establish and expand academic cooperation between EMU and TUMS.

### **AREAS OF COOPERATION**

#### ***A. Joint Degree Programs/Training Courses***

Joint Degree Programs or Training Courses are established by the two parties and certifications are issued and verified by both parties.

#### ***B. Exchange of Students***

Both parties shall make reasonable efforts to support development of an exchange of undergraduate and graduate students for short-term or long-term studies and formal degree programs. Exchange students shall meet the admissions criteria and requirements of the host institution. The details of the institutional and student rights and responsibilities for such exchanges shall be set forth in writing and agreed upon by both parties before a particular exchange is initiated.

#### ***C. Exchange of Academic Staff***

Both parties shall make reasonable efforts to facilitate visits of their researchers or faculty to one another's campuses for a certain period of time for research and teaching purposes in accordance with the objectives of this Memorandum of Understanding. The details of institutional and individual responsibilities involved in such mobility shall be set forth in writing and agreed upon by both parties before a particular visit by a researcher or faculty is initiated.

#### ***D. Exchange of Scientific, Educational and Scholarly Materials***

Both parties shall seek agreement upon a list of their respective scientific, educational and scholarly materials to be exchanged. To the extent practicable, Tehran University of Medical Sciences and Eastern Mediterranean University set forth in writing their mutually agreed upon protocols and guidelines governing this exchange and distribution of information.

#### **E. Exchange of Information**

The two parties will provide information on substantive educational and research programs, conferences, and seminars on topics of mutual interest and will encourage and strengthen communication and cooperation between members of the two institutions especially in the fields of mutual concerns and benefits.

#### **F. Special Projects**

The parties shall make reasonable efforts to collaborate from time to time in the development of special projects, including joint research projects, training activities, organization of events such as seminar, workshop, congress and conference, aimed at furthering their academic objectives. The details of institutional and individual responsibilities necessary for accomplishment of these special projects shall be set forth in writing and agreed upon by both parties before a particular project is initiated.

#### **FUNDING OF COOPERATIVE PROJECTS AND RESEARCH PROGRAMS**

Before any particular cooperative project or program is initiated, all financial details should be negotiated and agreed upon by both institutions.

#### **PROGRAM PLANNING**

In order to facilitate program planning, attempts will be made to hold annual meetings between representatives of the two institutions. The purpose of such meetings will be to develop close contacts and understanding of the needs and priorities of the two institutions and to establish the framework of cooperative programming, for the following years as much as possible.

#### **COORDINATORS**

Both parties will appoint a coordinator to facilitate the communication between them.
