

Karbala Center for Studies and Researches (from now on KCSR) and Tehran University of Medical Sciences (from now on TUMS), hereby agree upon the following terms and conditions as set forth in this agreement on January 17, 2016.

**1. Purpose:**

The aim of this agreement is to establish and expand educational/academic cooperation between KCSR and TUMS.

**2. Areas of Cooperation:**

The two parties agree that:

- a) According to this agreement, KCSR will introduce the qualified undergraduate applicants to TUMS based on criteria defined by TUMS.
- b) undergraduate applicants introduced by KCSR should have a GPA of %90 and above in their Secondary School Certificate.
- c) the average score for the subjects Biology, Chemistry, Physics, and General Mathematics should be %90 and above in their secondary school certificate.
- d) the applicants introduced by KCSR should provide TUMS with an IELTS band score of at least 5.5 or its equivalent in TOEFL iBT (minimum 69) or TOEFL PBT (minimum 525) at the time of introduction. Otherwise, attending intensive English language classes based on the standards of TUMS International College is mandatory for the accepted applicants before they start their main program of studies, or during their studies depending on the decision of the TUMS Office of Admissions for International Students.
- e) KCSR and TUMS International College can offer Persian and English language courses in Iraq based on a written agreement between the mentioned parties.
- f) the applications introduced by KCSR will be taken to TUMS Admissions Committee for International Students. A representative from KCSR can attend the committee. Admissions to TUMS will be decided in this Committee.
- g) for the first round of admissions (September 2016), applications introduced by KCSR before April 1, 2016 can be taken to the Admissions Committee for the before-mentioned round of admissions.

- h) student accommodation for students introduced by KCSR will be provided by KCSR. Students can also require to use TUMS dormitories according to the announced charges.
- i) the applicants introduced by KCSR who are given admission to TUMS by TUMS Admissions Committee for International Students and thereby become TUMS students are subject to TUMS educational, research, and cultural regulations.
- j) the undergraduate applicants introduced by KCSR who are accepted in TUMS Admissions Committee will be awarded a %25 tuition-waver scholarship. This scholarship will only apply to educational tuition fee and does not cover other expenses.
- k) the minimum number of students who will be registered at TUMS according to this agreement based on the introduction of KCSR and acceptance of TUMS Admissions Committee will be 40 for every round of admissions.
- l) KCSR is responsible to pay the charges for each students' tuition fee, health insurance fee, sport insurance fee, and registration fee, altogether according to TUMS regulations announced by TUMS Office of Admissions for International Students and academic calendar. The charges for Persian and English language classes, accommodation, and first transport from airport should be paid by KCSR if the student requires to use these services.

### 3. Terms of Agreement and Termination:

The present agreement becomes effective upon its execution by both parties and shall remain in effect for 5 years from said date of execution, at which time the two parties may negotiate to extend the agreement. This agreement may be terminated by either party upon 90 days written notice. It may be amended by mutual consent of the parties, formalized in written communication. Termination of this agreement does not affect the responsibilities and duties of the two parties concerning the already registered students at TUMS. In case of disagreement, the two parties will form an agreed-upon committee to settle the agreement.
