

MEMORANDUM OF UNDERSTANDING
BETWEEN
TEHRAN UNIVERSITY OF MEDICAL SCIENCE
(TEHRAN, IRAN)
AND
KHARKIV NATIONAL MEDICAL UNIVERSITY
(KHARKIV, UKRAINE)

Tehran University of Medical Sciences (TUMS), Iran, represented by its Chancellor Ali Jafarian, M.D., acting in accordance with the University Statute, on the one hand; and Kharkiv National Medical University (KhNMU), Ukraine, represented by its Rector Prof. Dr. Vladimir Lesovoy, acting in accordance with the University Statute, on the other hand (hereinafter referred to as "Parties"); foreseeing the importance of collaboration for enhancing of scientific communication and academic exchange have signed this Memorandum of Understanding (hereinafter referred to as "Memorandum") and have agreed as follows:

I. Areas of Cooperation

The Parties will encourage and develop cooperation in education and research areas based on the reciprocity and benefits of both institutions in conformity with legal regulations in force in each of the countries concerned.

The Parties have agreed to:

- Exchange experience, organize conferences;
- Promote student and staff academic mobility;
- Organize and carry out joint research projects;
- Organize and carry out workshops and seminars in teaching and research issues, symposia, congresses, workshops, study tours and summer schools;
- Exchange academic research data and teaching materials;
- Promote collaborations on health tourism, patient admissions and transferring mutual experience;
- Facilitate publishing of mutual scientific achievements and their implementation.
