

TEHRAN UNIVERSITY
OF
MEDICAL SCIENCES

Tehran University of Medical Sciences (TUMS) is pleased to assign

Professor Robert Hill

as the TUMS Distinguished Visiting Professor at the School of Advanced Technologies in Medicine for the duration of three years (2017-2020).

His valuably long term experiences in the field of Advanced Technologies in Medicine and his enthusiastic participation in TUMS educational and research programs will be a great asset to the development of Tissue Engineering and Regenerative Medicine.

His cooperation includes advising & supervising M.Sc. / Ph.D. theses and dissertations, conducting innovative researches in the discipline of Tissue Engineering and Regenerative Medicine which leads to joint publications in high quality peer-reviewed journals, seeking external funding for research projects, holding mutual seminars, tutorials, and promoting other proposed academic areas.

Alireza Ahmadian, PhD

Dean of School of Advanced Technologies in Medicine
