Tehran University of Medical Sciences (TUMS) is pleased to assign

Professor Susanne Grylka

as the TUMS Distinguished Visiting Professor at the Nursing and Midwifery Care Research Center for three years starting June 2020.

Her valuably long-term experience in the field of Nursing and Midwifery and her enthusiastic participation in TUMS educational and research programs will be a great asset to the field of Nursing and Midwifery Care.

Her cooperation includes advising and supervising MSc / PhD theses and dissertations, conducting innovative research projects in the discipline of Nursing and Midwifery Care, which leads to joint publications in peer-reviewed reputable journals, seeking external funding for research projects, holding mutual seminars and tutorials, and promoting other proposed academic and clinical areas.
