ACADEMIC AND PROFESSIONAL PROFILE AND MILESTONES

Rui Amaral Mendes graduated from the **University of Porto**, Faculty of Dental Medicine, in 2000.

In March 2004, he started his Doctoral Program at the **University of Porto** (Faculty of Dental Medicine), in the area of Oral and Maxillofacial Surgery and Medicine and **Profs. Francisco Carvalho Guerra, Alberto Amaral** and **Américo Afonso** supported his application for a doctorate scholarship.

Later in the end of 2009 he was invited by **Prof. Isaac van der Waal** to pursue his doctoral thesis at the **VU University Amsterdam** and the College of Deans of the **VU University Amsterdam** accepted his application for admission to the Doctorate in January 2010.

He obtained the **Doctoral Degree (PhD) in Oral and Maxillofacial Surgery and Pathology** on the 29th of April, 2011, from the **VU Universiteit Amsterdam**.

Between August 2003 and 2015 he actively collaborated, as a volunteer, with the Non-Governmental Organization (NGO) "**Doctors of the World**", within the scope of the project "**Porto Escondido**", integrating the medical team responsible for providing primary health care services to the homeless population of the city of Porto and the illegal immigrants detained at the center of the Department of Immigration.

In May 2005 he was appointed *Fellow* of the *International Association of Oral and Maxillofacial Surgery*.

In September 2006, in Barcelona, he was given *Full Membership* of the *European Association of Cranio-Maxillofacial Surgery*.

In December 2006 he was appointed *Fellow* of the *International Academy of Oral Oncology*.

In May 2009, he was invited to join the *Research Interest Group of "Head & Neck Oncology"* of the *International Association of Oral and Maxillofacial Surgeons*.

In November 2009 he was selected as Consultant/Assistant reviewer of the **V World Workshop of Oral Medicine** and assigned to *Group 1 - Genetics/epigenetics of oral mucosal premalignancy*.

He was appointed **Clinical Director** of the **University Dental Clinic** of the **Catholic University of Portugal** in October 2011. Afterwards, he was appointed **Chair of the DMD Program** of the **Catholic University of Portugal** (July 2012) and **Chair of the Post-Graduation Course in Oral and Maxillofacial Pathology** (September 2012). Due to overall differences on relevant strategically academic issues and projects, he would resign from both positions in August 2015.

Parallel to his academic position(s) in Europe (Portugal), he keeps active academic positions in the United States, first at the **University of Michigan** (2012-2014) and currently at **Case Western Reserve University** (2014-Present).

In June 2013 he was appointed Chair of the **Bone Complication Section of the Oral Care Study Group** of the **International Society of Oral Oncology/ Multinational Association of Supportive Care in Cancer (ISOO/MASCC)** and is currently an active representative of the **American Society of Clinical Oncology (ASCO)** in the **MASCC/ISOO/American Society of Clinical Oncology Osteonecrosis of the Jaws guideline panel**.

In July 2015 he was elected Member of the Board of the **International Society of Oral Oncology (ISOO)** and later appointed by his Board's peers **Vice-President for Communications of ISOO**. He served in this position until March 2017.

In December 2014 he was unanimously co-opted as member of the Executive Committee of the **Association for Dental Education in Europe (ADEE)** (starting from January 2015); at ADEE he has been coordinating the **Education Committee**, while also being actively involved in the school visit teams responsible for assessing Dental Schools and Curricula.

Since August 2016, he is also the **Chair** of ADEE's **SIG on Global Health and Social Accountability**.

In September 2016 he was invited by the Portuguese **Agency for Assessment and Accreditation of Higher Education (A3ES)** (www.a3es.pt) to be one of the external expert members of the External Assessment Commissions (EAC) responsible for the assessment and accreditation processes of the Portuguese Dental Schools.

In January 2017 he was appointed representative of ADEE both in the Board of the **ASPIRE/AMEE - Association for Medical Education in Europe** and the **Social Accountability Panel** of **AMEE - Association for Medical Education in Europe**.

During 2018 he successfully attended the first ENQA Leadership Development Programme, jointly organized by the **European Association for Quality Assurance in Higher Education (ENQA)** and the **Center for Higher Education Policy Studies (CHEPS)**.

In July 2013 he was designated *Associate Editor* and *Head of the Oral and Maxillofacial Medicine Section* of the *Editorial Board* of the **British Medical Journal - Case Reports**. In January 2016 he was also appointed *Associate Editor* of the **Journal of Oral Pathology and Medicine** and later in March *Editor-in-Chief* of the **Journal of Carcinogenesis and Mutagenesis**.

He also served as member of the *Editorial Board* of "**Oral Surgery, Oral Medicine, Oral Pathology and Oral Radiology**" and is currently a member of the *Editorial Board* of "**Oral Diseases**", the "**American Journal of Oral Medicine**" and the "**Case Reports in Dentistry**".

He is an active reviewer of several scientific journals ("**Oral Oncology**", "**Oral Surgery, Oral Medicine, Oral Pathology and Oral Radiology**", "**International Journal of Oral and Maxillofacial Surgery**", "**Oral Diseases**", "**Journal of Oral Pathology and Medicine**", etc.).

He is the current Vice-President of the **Portuguese Academy of Oral Medicine**.

He has published 4 poetry books: **Pleroma** (2005), **Na Luz do Crespúsculo** (2006), **Do Fundo do Silêncio** (2007) and **Frágil** (2018).
