

08 April 2017

To whom it may concern:

This is to certify that I will invite Dr. Farid Dorkoosh as a visiting scientist to do his Sabbatical in my laboratories commencing 17th of April 2018 for the period of 6 months. His topic will be evaluation of anticancer effect of a new extract using nanoparticulate drug delivery systems in the lungs.

Yours sincerely,

Ben Forbes,
Professor of Pharmaceutics
