Important Information

To register, please use the link below:

<https://www.siu-urology.org/congress-2017/registration>

We are extending the deadline for early registration rate for abstract presenters until June 19, 2017. To benefit from the extended deadline, please use the following benefit code: SIU17ABSPRE

Presenters who have not registered nor communicated with the SIU Scientific Programme Office by June 19, 2017 will see their abstract(s) excluded from the Programme and from publication in our Journal, the *World Journal of Urology*. It is the presenter's responsibility to cover all expenses associated with attendance. This includes travel-related costs, accommodation and registration.

SIU Members can save significantly on registration fees for the Congress. To become a member and save, please [click here](#)

Presentation Types

All ePosters will be available for viewing from screens on the ePoster wall in the Exhibit Hall.

Moderated ePoster:

Abstracts accepted as moderated electronic posters will physically be presented at the meeting. Each presenter will give 3 minutes of highlights, using their electronic posters (no slides are permitted). Moderators will address questions at their discretion, either after each presentation or at the end of the session. In addition, Moderated ePosters will be available for viewing in the ePosters Viewing Area, where attendees will be able to browse through all the ePosters during opening hours. With the author's consent, the electronic poster will remain available online via SIU Academy.

Video Poster:

Abstracts accepted as video posters will be available for viewing in the ePosters Viewing Area, where attendees will be able to browse through all the ePosters during opening hours. With the author's consent, the video poster will remain available online via SIU Academy.

Unmoderated ePoster:

Abstracts accepted as unmoderated electronic posters will be available for viewing in the ePoster Viewing Area, where attendees will be able to browse through all the ePosters during opening hours. With the author's consent, the electronic poster will remain available online via SIU Academy.

Residents' Forum (electronic poster format):

Abstracts accepted in the Residents' Forum will physically be presented at the meeting. Each presenter will give 3 minutes of highlights, using their electronic posters (no slides are permitted). In addition, the electronic posters will be available for viewing in the ePosters Viewing Area, where attendees will be able to browse through all the ePosters during opening hours. With the author's consent, the electronic poster will remain available online via SIU Academy.

Nursing Abstract:

Abstracts accepted as nursing electronic posters will be available for viewing in the ePosters Viewing Area, where attendees will be able to browse through all the ePosters during opening hours. With the author's consent, the electronic poster will remain available online via SIU Academy.
