ABSTRACT EVALUATION (e-Poster)

Dear Dr. Ghandi,

The EADV Scientific and Organising Committees are delighted to inform you that your abstract has been selected to be displayed as an **e-poster** (electronic version to be displayed on computer onsite). You will have now the possibility to produce an e-poster following the below instructions.

Abstract ID	2967
e-Poster number	P1141
Abstract title	Serum and tissue angiotensin converting enzyme in patients with alopecia areata

Only e-poster submissions will be accepted (**do not prepare any paper poster**). E-posters will be available for viewing in the e-poster area during the Congress, where computers will be exclusively provided to all registered delegates.

Kindly note that your abstract information will be included in all EADV publish material if not withdrawn before 12 June, 2017.

e-Poster format:

We advise you to carefully read the [instructions](#) before starting to prepare your e-Poster.

The online e-poster submission service will be available from **13 June 2017** until **22 August 2017, midnight (CET)**.

You will receive all the information on how to submit your e-poster from our service provider **M-events** on the **13 June, 2017** via email. In case you do not receive any email from M-events by that date, please contact viktor@eadv.org.

Congress Registration:

Please note that the acceptance of your abstract does not include the conference registration. All attendees are therefore kindly requested to register for the Congress at <http://eadvgeneva2017.org/registration/how-to-register/>

We look forward to your participation in the 2017 EADV Congress in Geneva!

Yours sincerely,

Mr. Viktor Trendafilov

Senior Project Coordinator - EADV Scientific Department
