ESPE 2015 - Abstract Submission Notification

espe2015 Jun 2 at 4:41 PM  
To espe2015

Dear ESPE 2015 Abstract Submitter

On behalf of the ESPE 2015 Programme Organising Committee (POC) I am delighted to inform you that following our most recent POC meeting, your abstract has been accepted for ePoster presentation at the 54th Annual Meeting of the European Society of Paediatric Endocrinology, 1 – 3 October 2015, Barcelona, Spain.

We are delighted to inform you that you have been awarded a poster within the **P3 category for an ePoster**. ESPE 2015 ePosters will be available online for the duration of the meeting, presented on display screens at the Meeting venue and guided tours of the ePoster screens will also be organised.

Further details about your ePoster number, presentation details, ePoster upload instructions and guided tour information will follow in due course. In the meantime every presenting author that is offered an eposter presentation is required to **register for the meeting** at <http://www.espe2015.org/registration.aspx> and pay the registration fee. This year we have revised the abstract notification schedule to ensure you are advised of the status of your abstract in time to register at the early bird discounted fee. Please note that the early bird registration deadline is **Monday 8 June 2015**.

Please don't hesitate to contact the ESPE Meeting Team via email at: [espe2015@bioscientifica.com](mailto:espe2015@bioscientifica.com) or by phone on: 00 44 1454 642240 if you have any questions regarding registration or about your abstract. We will be in touch again soon to provide the full details of the acceptance of your abstract.

Many Thanks  
Kate

**Kate Sargent**  
ESPE 2015 Team
