**Subject:** ESPE 2018 Abstract Decision

**ESPE 2018 Abstract Notification**

Abstract serial number: 83

**Poster Number: P3-P048**

Dear Heshmat Moayeri,

On behalf of the ESPE 2018 Programme Organising Committee we are pleased to inform you that your abstract entitled:

***“Comparison of serum 25-Hydroxy Vitamin D levels among Children & Adolescence with Attention Deficit Hyperactivity Disorder and healthy Iranian People”***

has been accepted for **ePoster presentation within the P3 category** at the 57th Annual Meeting of the European Society of Paediatric Endocrinology, 27-29 September 2018, Athens, Greece. The meeting will take place at the Megaron Athens International Conference Centre (MAICC).

Please note that your abstract title, presenting author and presenting author affiliation will be included in the scientific programme online and in print so please make special note of your Poster Number to locate it.

**Poster Number: P3-P048**

**ePOSTER**

We require you to **upload your poster as an electronic poster only**, you are NOT required to bring a physical posters at ESPE 2018.

ESPE 2018 ePosters will be available for viewing on the ePoster screens for the duration of the meeting. ePosters will be searchable by using the unique poster number code given to you; poster numbers will also be published in the meetings programme book to allow delegates to pre-select posters they wish to view.

**You will be informed in the coming weeks of the date and time you are required to stand by your allocated ePoster stand to allow for questions regarding your work.**

This innovative new way of viewing abstract authors work will enhance the experience for attendees of this year’s conference. The electronic posters will be available for delegates registered for the

2018 meeting to view and will allow for interactions between authors and viewers during and after the meeting. **An ePoster link will be sent to you prior to the meeting for uploading your ePoster.**

#### **INSTRUCTIONS FOR ePOSTER**

To be of value, your poster should not be too cluttered. It should be set out in a clear and logical manner, with reading matter reduced to an essential minimum. Lettering, including figure legends, labelling, symbols & graphs etc, should be large enough to be legible at 140cm. Ordinary type-face is NOT adequate. Drawings, diagrams and photos are extremely helpful and often necessary to display results and conclusions. Make sure that your illustrations are easy to understand; do not overload any chart or drawing with information.

If the first author is not able to attend the Meeting, then a co-author will be able to represent on your behalf. You will only need to contact the ESPE 2018 Team if none of the authors are able to attend the Meeting to represent the poster. **IMPORTANT:** Please note that ESPE 2018 meeting policies do not allow displaying pharmaceutical company logos anywhere on your poster.

#### **Disclosure Statement**

The disclosure statement submitted together with the abstract should be included the statement on your poster.
