Dec. 11, 2013

ACCEPTANCE/INVITATION LETTER

Prof. Dr. Mohammad Bagher Rokni,
Department of Medical Parasitology and Mycology,
School of Public Health, Tehran University of Medical Sciences, Tehran, Iran.

To Whom It May Concern,

International Conference on Food, Biological and Medical Sciences (FBMS-2014) that will take place on Jan. 28-29, 2014 at Bangkok (Thailand) aims to bring together researchers, scientists, engineers, medical practitioners and scholar students to exchange and share their experiences, new ideas, and research results about all aspects of science, engineering and medical sciences, and discuss the practical challenges encountered and the solutions adopted.

Herewith, the Scientific and Technical Committee of International Institute of Chemical, Biological & Environmental Engineering is pleased to inform you that the peer-reviewed & refereed conference paper id: C0114571, titled as "*The Global Burden of Foodborne Parasitic Diseases*" and authored by Mohammad Bagher ROKNI, has been accepted for Oral presentation at the conference and publication in Proceedings of the Bangkok conference Jan. 2014.

We would like to kindly invite Prof. Dr. Mohammad Bagher Rokni, to present the research paper at the conference site in Bangkok. We would greatly appreciate if you could facilitate granting the conference delegate the necessary visa.

Sincerely Yours,

Conference Secretariat
