

International Conference on
**VACCINES
RESEARCH & DEVELOPMENT**

Vaccines R&D-2015

Nov 2015
02-04
BALTIMORE
USA

Letter of Invitation

February 20, 2015

To
Dr. Afshineh Latifynia
Tehran University of Medical Sciences, Iran

United Scientific Group takes great pleasure in inviting you to attend the **International Conference on Vaccines Research & Development** scheduled during November 02-04, 2015 at Baltimore, USA (**Vaccines R&D-2015**).

Vaccines R&D-2015 is designed to bring together the scientific community working on various aspects of research & development to encourage the exchange of ideas across a broad range of disciplines including the major advancement and challenges in vaccine research – vaccines discovery, development & formulation, new vaccine adjuvants, cancer vaccines and other vaccine development.

We welcome you to join us for an **oral** presentation on "**Cytokines assay (ILs 4, 10, 12, 17, 23, IFN gamma), CD8+, CD4+compaire to expansion of Spleen White Size expansion in pre challenge leishmania major new Vaccine in Balb/c mice**" to share your knowledge and views with the global audience at Vaccines R&D-2015. We appreciate your work in the field of vaccines and are sure that your presence will add a remarkable impact to our conference.

We hope to offer you a memorable experience in exploring new ideas and opportunities. We look forward to seeing you at Baltimore, USA.
