Dear Dr. Alireza Mirbagheri,

The Organization Committee of the 30th International Scientific and Technical Conference «Extreme Robotics» (ER-2019) informs you that the article you submitted, «Introducing the Sina_{flex} as a robotic telesurgery system with flexible instruments» (Alireza Mirbagheri, Alireza Alamdar, Mehdi Moradi) has been approved and will be included in the ER-2019 abstracts collection and presented at the conference.

Looking forward to see you at ER-2019.

Sincerely yours,

Nikolay Gryaznov

RTC Deputy Director for Science
& Chairman of ER-2019 Program Committee
