INFORMATION ON ABSTRACT ACCEPTANCE – PUBLICATION

Dear colleague,

On behalf of the Scientific Programme Committee of the **European Conference of Human Genetics 2013**, June 8-11, Paris, France, we are pleased to inform you that the abstract entitled

'Genetic analysis of gonadal disorders of sex development (46, XY DSD) by cytogenetic and molecular methods'
(Control No. 2013-A-205-ESHG)

has been accepted for Publication.

This means that your abstract will be published in an electronic supplement of the European Journal of Human Genetics, but will **NOT be included in the poster exhibition.**

Please remember that the deadline for **reduced registration fee** is **March 31, 2013**. Registration is possible via the **website**.

Remember also to book your hotel accommodation in Paris as soon as possible. Booking is possible on the **website**.

We look forward to welcoming you in Paris in June!

With kind regards,
yours sincerely,

Brunhilde Wirth
Chair of the Scientific Program Committee
