The guidelines for concurrent sessions can be found on the conference website (<http://www.icn2013.ch>). Please note that you have 20 minutes for your presentation **including** time for discussion. We strongly urge you to allow time for questions and comments.

Four abstracts (20 minutes each) will be presented in each concurrent session of 80 minutes. Between the sessions 10 minutes are allocated to allow participants to change rooms without disrupting the presenters.

REGISTRATION

In order to present your abstract at the conference you will need to register prior to the registration deadline for abstract presenters (**11 January 2013**), otherwise it will be withdrawn from the final programme.

You can register by visiting the conference website <http://www.icn2013.ch/en/registration> and following the instructions on screen.

If the registration has not been done yet, we invite you to register now following the below procedure.

1. Click on the following link:

<https://b-com.mci-group.com/Registration/ICN2013.aspx>

2. Sign up by using your personal login details, created during the abstract submission:

- a. Username: nooredin.mohammadi

- b. Password: The password you created at the time of submission (Should you not remember your password please use the "forgot password" function or contact us for support!)

Please note that failure to register by the deadline, 11 January 2013, will result in your presentation being withdrawn from the programme.

If any changes in the presenting author occur, the presenting author needs to be updated before **11 January 2013** directly on the abstract submission form by using your login details created during submission.

To change the presenting author, please:

1. Log-in to the B-Com portal by using the following link :
