Subject: EANM'17: Notification of Acceptance - e-Poster Walk

Dear Professor Mohammad Reza Ay,

Thank you very much for submitting your work for the EANM'17 - Annual Congress of the European Association of Nuclear Medicine (October 21 - 25, 2017 in Vienna/Austria).

All accepted papers for poster presentation will be presented from 2017 onwards as electronic posters (instead of paper posters) in the "e-Poster Areas". In these areas congress participants will find numerous computers to view the e-Poster sessions alone or in small groups throughout the entire duration of the congress.

Due to the high quality of your work your paper was accepted as an e-Poster which will be presented in addition within one of the 12 e-Poster Walks in Vienna (max. 5 minutes incl. a 2 minutes discussion).

I am pleased to inform you that your abstract:

"Simultaneous High-Sensitivity High-Resolution Molecular SPECT Imaging with Spinning Slit-Hole Collimator: A Monte Carlo Simulation Study"

was accepted as an e-Poster presentation within one of these above mentioned special "e-Poster Walks".

Please find below your presentation details:

Besides preparing your e-Poster, you are kindly asked to give a 5-minute oral summary of your work (3 minutes presentation plus 2 minutes discussion). Only an oral summary in front of your e-Poster will be required – a PowerPoint presentation is not required. Due to the tight schedule we have to stick to this time restriction, and chairpersons will be encouraged to stop your presentation in case you overrun your time.

Your e-Poster has to be uploaded **no later than September 30, 2017, 17:00 CET**. The link for upload will be announced in a separate mailing and online <http://eanm17.eanm.org/> in due course. e-Posters that have not been uploaded by this deadline will be considered as withdrawn.

The **presentation guidelines** as well as a template for the **disclosure statement** can be found on our website under the following link: <http://eanm17.eanm.org/submitters/>. Please note that you must include the disclosure statement in your onsite presentation/on your e-Poster.

If you need to withdraw your paper and/or will not be able to give your presentation, please send a written notification to the [EANM Executive Office](#) by latest July 1, 2017.

We would also like to draw your attention to the deadline for reduced registration fees: June 27, 2017.
