International Symposium on Understanding Moderate Malnutrition... ★

iaea-indico-support@mcm-services.com Jan 30 ★

To Me, T.Becic@iaea.org

Dear Hamed Pouraram,

We are pleased to inform you that your abstract entitled 'Successful Decreases of Malnutrition among Children in Islamic Republic of Iran in the Past Two Decades' with the ID number 64 has been accepted for presentation as a poster at the 'International Symposium on Understanding Moderate Malnutrition in Children for Effective Interventions', to be held in Vienna, Austria from 26 to 29 May 2014.

The number assigned to the paper is IAEA-CN-217--64P. This number should appear at the top right hand corner of the poster and be referred to in all future correspondence. Please confirm to NAHRES_sympto2014@iaea.org by 31 March 2014 whether you intend to take the opportunity to present your paper as a poster at the symposium. A poster board will be reserved for your poster upon your confirmation.

Guidelines on preparation of the poster are available at the INDICO website, together with a list of posters according to topical session: https://conferences.iaea.org/indico/internalPage.py?pageId=3&confid=12

The abstract of your presentation will be included in the compilation of abstracts, which will be distributed at the symposium to participants on USB sticks.

If you applied for a travel grant, it is expected to be able to notify all applicants in February as to the outcome of the selection committee.

We are looking forward to meeting you at the symposium.

Best regards,
IAEA Scientific Secretaries
