## 25th European Medical Informatics Conference - MIE2014

**Subject: LETTER OF INVITATION**

**Date: 16.08.2014**

**Dear Abbas Sheikhtaheri,**

On behalf of the European Federation for Medical Informatics (EFMI) and the Turkish Medical Informatics Association (TurkMIA), we invite you to the 25th European Medical Informatics Conference - MIE2014 - in Istanbul, August 31<sup>st</sup> - September 3<sup>rd</sup>, 2014 to present your accepted paper titled as "**Evaluation of system quality of hospital information system: A case study on nurses**".

Keynotes, scientific sessions, thematic workshops and panels, short communications and tutorials will constitute the traditional backbone of the conference. In parallel, special "partnership for innovation" tracks and round tables will be organized to get the best from the synergy between the scientific / industrial /political world. Various kinds of contributions are solicited and welcome in order to provide MIE2014 attendees a stage for active participation.

We cordially invite you to our Conference in İstanbul. On behalf of the Local Organizing Committee we kindly ask you to note that the committee will not be responsible for any financial matters for you to attend the conference. The attendee will be totally responsible for any financial responsibilities, accommodations, air tickets, registration fees, etc. We look forward to seeing you at this important and successful meeting. Your timely correspondence on your acceptance or rejection of attendance will be appreciated.

Further details are available on <http://www.mie2014.org/>

Sincerely yours,

Local Organizing Committee

Prof. Dr. Osman Saka
