State Dental Boards. This verification should be retained by the licensee.*

AAOMP is an ADA CERP Recognized Provider

American Academy of Oral
& Maxillofacial Pathology

ADA CERP® | Continuing Education
Recognition Program

The American Academy of Oral and Maxillofacial Pathology is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
