Dear Prof. Beiki,

Thank you very much for submitting your work for the EANM'15 - Annual Congress of the European Association of Nuclear Medicine (October 10 - 14, 2015 in Hamburg/Germany).

I am pleased to inform you that your abstract:

A new lactam bridge 99mTc- α -melanocyte-stimulating hormone analog for diagnosis of metastatic melanoma

was accepted as a Poster presentation within one of this year's specially dedicated "Poster Walks".

Please find below your presentation details:

Presentation Number: PW063
Session: PW07 - Poster Walk 7 - M2M: Molecular & Multimodality Imaging: Preclinical Imaging and Evaluation
Session Date: Sunday, October 11, 2015
Session Time: 8:30:00 AM - 9:30:00 AM

Within your "Poster Walk" you will be presenter number: 3

Therefore your presentation time is: 8:40:00 AM - 8:45:00 AM

Besides preparing your regular poster, you are kindly asked to give a 5-minute oral summary of your work (3 minutes presentation plus 2 minutes discussion). Only an oral summary in front of your poster will be required – a PowerPoint presentation is not required. Due to the tight schedule we have to stick to this time restriction, and chairpersons will be encouraged to stop your presentation in case you overrun your time.

Please note that all posters have to be mounted until Saturday, October 10, 2015, 18:00 at the latest.

The **presentation guidelines** as well as a template for the **disclosure statement** can be found on our website under the following link: http://eanm15.eanm.org/abstracts/present_guidelines.php?navId=49. Please note that you must include the disclosure statement in your presentation/on your poster onsite.

If you need to withdraw your paper and/or will not be able to give your presentation, please send a written notification to the [EANM Executive Office](#) by latest July 1, 2015.

We would also like to draw your attention to the deadline for reduced registration fees: June 22, 2015. Please visit our website <http://eanm15.eanm.org> and register for the congress at your earliest convenience.

I look forward to seeing you this October in Hamburg.

With best regards

Wim Oyen, MD, PhD
EANM Congress Chair 2014-2016

Dear Prof. Beiki,

Thank you very much for submitting your work for the
EANM'15 - Annual Congress of the European Association of Nuclear Medicine
(October 10 - 14, 2015 in Hamburg/Germany).

I am pleased to inform you that your abstract:

Synthesis and radiolabeling of HYNIC-conjugated LIKKPF peptide with 18F-FDG for the detection of apoptosis

was accepted as a Poster presentation within the Scientific Programme of EANM'15.

Please find below your presentation details:

Presentation Number: P256
Session Number: P14
Session Title: Radiopharmaceuticals & Radiochemistry: Antibodies & Peptides

This year, we have 3 dedicated poster viewing sessions.

Your poster is scheduled for:

Sunday, October 11, 2015, 4:00:00 PM - 4:30:00 PM

During this time slot we ask all authors to be present at their respective poster for discussion of their work.

Please note that all posters have to be mounted until Saturday, October 10, 2015, 18:00 at the latest.

The **presentation guidelines** as well as a template for the **disclosure statement** can be found on our website under the following link: http://eanm15.eanm.org/abstracts/present_guidelines.php?navId=49. Please note that you must include the disclosure statement in your presentation/on your poster onsite.

If you need to withdraw your paper and/or will not be able to give your presentation, please send a written notification to the [EANM Executive Office](#) by latest **July 1, 2015**.

We would also like to draw your attention to the deadline for reduced registration fees: June 22, 2015.
Please visit our website <http://eanm15.eanm.org> and register for the congress at your earliest convenience.

I look forward to seeing you this October in Hamburg.
