

Mail body

Dear Dr Manayi,

Your work, entitled "Chemical composition and antibacterial activity of essential oil of *Trachyspermum ammi*" has been accepted as a Poster presentation at GA2014. However, we noticed that your registration is not completed. We ask you to log in to the GA2014 COMS system - available at <https://www.conference-service.com/ga2014/welcome.cgi> - and complete your registration as soon as possible.

If you are not going to be able to attend GA2014, please e-mail us so we can remove you from the list of participants.

If you have already made your payment, please warn us by e-mail as soon as possible, so that our partner Caravela Travel Agency can finish processing your registration.

Your login details are:

Email: manayi@sina.tums.ac.ir

Password: 2smh3ic7

To complete your registration, please log in to your COMS account and click on the "GA2014 Registration" tab displayed in green on the top menu bar. Then, follow the instructions and fill out the form, including marking any workshops you may want to attend. When complete, click on the button on the bottom of the web page, titled "Continue to next step". After that, you will be taken to a new page showing the summary of your registration, where you need to click again on the button on the bottom of the page, titled "Record order - Payment will be made later". Instructions for payment will then be displayed - at this point, your registration is recorded and complete.

Please take this chance to also book your Hotel, if you haven't done so, and any Social Programme options you may choose to attend. The booking process is very similar to the one described above for completing the GA2014 registration.

Hotel information available at:

<http://ga2014.bio.uminho.pt/accommodation.php>

Social Programme options available at:

<http://ga2014.bio.uminho.pt/social-programme.php>

With kind regards,

	The GA2014 Organising Committee
