

**International Congress Of Dento-Maxillo-Facial Radiology
(ICDMFR2017)**

No.100, Shih-Chuan 1st Rd., Sanmin Dist., Kaohsiung City 807, Chinese Taipei (Taiwan)

2016. 12. 27.

Dear Dr/Prof. Zahra Ghoncheh:

Greetings from Kaohsiung!!

With the committee's noted decision, we are delighted to inform you that your submitted abstract entitled: **"In Vitro Comparison of Diagnostic Accuracy of DIAGNOdent and Digital Radiography for Detection of Secondary Proximal Caries Adjacent to Composite Restorations"**(POSTER-021) is now accepted for a **poster** presentation at the world congress of IADMFR 2017. The final presentation schedule regarding the date and the time for each poster will be posted on our conference website (<http://www.iadmfr2017.tw>) by the end of Feb 2017. Importantly, below are few keep-in-mind issues outlined for all scheduled poster presenters at next year's conference, that are required to follow closely, including: **1)** all scheduled poster presenters must complete his/her early-bird registration before the deadline (midnight of Jan 15, 2017) to attending IADMFR 2017-Kaohsiung (registration at the website: <http://www.iadmfr2017.tw>); **2)** each corresponding poster presenter is permitted to present the abstract accepted for that scheduled presentation at this conference, where he/she is also required to complete the early-bird registration before the deadline. We encourage all participants to plan their travel itineraries ahead of time and to check into our official conference website for the related housing and touring information. Lastly, if you will require special attention for the travel visa to visit Kaohsiung, Taiwan, please contact us with emails at: **secretary@iadmfr2017.tw** for further assistance.

On behalf of the international committees of IADMFR and the organizing committees of IADMFR-2017, we welcome you full-heartedly and look forward to meeting you all in Kaohsiung next April.

POSTER SIZE

The board will be used **VERTICALLY**. Dimensions of the poster board are 150 cm high x 90 cm wide. These are the maximum dimensions to follow when creating your poster but you should make your poster smaller.

Yours truly,

Prof. Andy Y-T. Teng., DDS., MS., PhD.
