Dear Sir/Lady,

we are glad to confirm that the abstract submitted by you for the above mentioned congress has been accepted as **e-poster** **(complete accepted e-poster list in attachment)**

The updated congress scientific program with all e-posters inserted and the assigned session will also be available in August 2018 at [www.ehf2018.com](http://www.ehf2018.com) (official congress website).

For your information, these are the congress sessions dedicated to e-posters (no choice of date and time is possible):

e-poster session 28 september 10.30/11.00

e-poster session 28 september 13.00/14.00

e-poster session 29 september 11.00/11.30

e-poster session 29 september 13.00/14.00

e-poster session 30 september 11.00/11.30

Within the end of July, you will receive all the necessary information for preparing and uploading your e-poster on our dedicated platform.

Kind Regards

**Francesca Romana Britti**
