

ISOPS VIII

Puerto Iguazú
Argentina

Dear Dr. M. R. Yaghoobi-Ershadi,

We are pleased to inform you that your abstract **"Epidemiological study on sand flies in an endemic focus of cutaneous leishmaniasis, Bushehr city in southwestern Iran"**, was accepted for the 8th International Symposium on Phlebotomine Sandfly to be presented in the form of Oral Presentation at a date and time to be confirmed soon.

Sincerely

A handwritten signature in black ink, appearing to read 'DSS', with a long horizontal stroke extending to the right.

Dr. Oscar Daniel Salomón
President of ISOPS VIII
On behalf of the Editor Committee
