10th European Congress on Tropical Medicine and International Health

Antwerp, Belgium, 18/10/2017

has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME) for a maximum of 25 European CME credits (ECMECs).

Each medical specialist should claim only those credits that he/she actually spent in the educational activity.

The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net. Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™.
