Dear selected participant,

It has come to our attention that college accounts seem to be very good at removing spam emails and has meant some of you may not have received your acceptance email from our mosquito meeting gmail account.

We are sending this email to confirm you have been selected to attend the Kolymbari Mosquito Meeting 2019 and we are very excited to see you all next month.

Presentation selection, room allocation and travel grants are in the process of being decided and we will be in touch shortly with more information.

Thank you very much for your patience.

Sarah Kelly  
On behalf of George Christophides and the organising committee
