Dear Hassan Watandoost

Thank you for applying to the [2nd WIN international conference](#) on “**Integrated approaches and innovative tools for combating insecticide resistance in arbovirus vectors**” that will be held at the Grand Copthorne Waterfront Hotel in Singapore from Oct 1 to 3, 2018.

I am pleased to inform you that your abstracts entitled “**Biochemical and Molecular Resistance Mechanisms to DDT and Some Pyrethroid Insecticides in vector of West Nile virus, Culex pipiens**” and “**Biochemical and molecular detection of insecticide resistance in sand-fly fever vector (Phelebotomus papatasi) to insecticides**” have been **accepted** for **Poster presentation** at the [2nd WIN international conference](#). Guidelines for presentations are available on the conference website.

We look forward to seeing you in Singapore,

Sincerely yours,

On the behalf of the Organization committee,

Claire DUROT
