Ref.: **2<sup>nd</sup> International Symposium on  
Technetium and other Radiometals in Chemistry and Medicine – TERACHEM 2014  
Bressanone (BZ, ITALY) September 10-13, 2014**

On behalf of the International Scientific Committee of the TERACHEM 2014 Symposium, we have the pleasure to inform you that your abstract entitled

**"Biodistribution of 80 nm iron oxide nanoparticles labeled with <sup>99m</sup>Tc in Balb/c mice"**

has been accepted for a POSTER in session A1.

You are requested to bring a poster (max 120 cm height x 100 cm width) to be left in the poster area for the entire duration of the Symposium and to make yourself available for discussion during the poster sessions.

If you will not be able to attend the Symposium, please be so kind to entrust one of your co-authors with these tasks.

The complete program of the TERACHEM 2014 Symposium will soon appear on the website ([www.terachem2014.com](http://www.terachem2014.com)). Also, students and trainees presenting at the Symposium can apply for bursaries before May 18, 2014. The instructions for bursary application will appear soon on the website.

Thank you for your contribution to the TERACHEM 2014 Symposium.  
Please do not hesitate to contact us if you need any more information.

Best regards and see you in Bressanone!
