Your abstract entitled "**Effect of time from last food intake on the respiratory exchange ratio**" is accepted in Thematic Poster Session for the Amsterdam ERS 2015 International Congress programme.

If your abstract is accepted, further details will be sent mid-June regarding the session of allocation.

Carefully **read the instructions** on how to prepare your abstract presentation on our website.

If you have not yet registered for the Congress, we remind you that **15 July** is the deadline for benefitting from the early-bird registration fee. **Register online** (N.B. Presenting author must register for the Congress).

See you in Amsterdam!

Yours,
Stephen Holgate
ERS Science Council Chair
