

September 25, 2014

Mr. Reza Shokuhi,
Dept. of Medical Parasitology and Mycology,
School of Public Health,
Tehran University of Medical Sciences,
Tehran, Iran

Dear Mr. Reza Shokuhi,

Based on the Program Committee review, we are pleased to inform you that your abstract entitled "The first case of onychomycosis in Koala due to an atypical isolates of *Microsporium gypseum*, diagnostic challenges", has been accepted to present as poster in 58th Annual Meeting of Japanese Society for Medical Mycology to be held from November 1st to November 2nd, 2014 in Yokohama, Japan.

Your presentation code is P-64, Superficial mycosis 4, Core time: 2nd Nov. 13:10-14:10 Room D.

Please have a presentation in front of your poster. (Four minutes oral presentation plus four additional discussion, total 8 minutes).

We will inform you further regarding session details in the near future. If you have any inquiries, please do not hesitate to contact us.

We are looking forward to welcoming you in Tokyo in November.

Yours sincerely,

Yoshihiro Sei, M.D.

President of the 58th Annual Meeting of the Japanese Society for Medical Mycology
Head of Department of Dermatology Teikyo University Mizonokuchi Hospital
3-8-3 Mizonokuchi Takatsu-ku, Kawasaki-shi, Kanagawa Pref. Japan, 213-8507
