ISPRM 2015 - Acceptance as oral presentation

Dear Pardis Noormohammadpour,

Thank you very much for your contribution to the 9th World Congress of the ISPRM by submitting an abstract. Many interesting abstract submissions offered the scientific committee the opportunity to create a diverse and interdisciplinary programme.

On behalf of the scientific committee, we would like to inform you that your abstract with the ID 917 and the title "**Comparison of the thickness of lateral abdominal muscles amongst pregnant women with and without Low Back Pain**" has been **accepted as oral presentation** for the 9th World Congress of the ISPRM to be held from 19–23 June 2015 in Berlin.

Your session

Your oral presentation is scheduled as follows (subject to adaptations):

Session:	A.2.6 Back Pain: Pathophysiology and Diagnostics
Date:	20.06.2015
Time of session:	15:00–16:30

Your speaking time is 8 minutes + 2 minutes additionally for discussion.

Confirmation & registration

We kindly ask you to confirm your participation **until 19 February 2015** at the latest via answering this e-mail to isprm2015@conventus.de.

The registration of the presenting author is obligatory. Please register for the congress [online](#).

Please note: The early bird registration applies for presenting authors until **19 February 2015**.

Please indicate "abstract author" and your abstract ID in the box "Remarks" when registering for the conference.

Important dates

Feedback and registration deadline: 19 February 2015
Provision of detailed information for oral presentations: March 2015

Technical details

Laptops and data projectors are available in each of the lecture halls, as well as technical support. We recommend all speakers to check their presentation in advance. Please submit your presentation in the media center at least 120 minutes before your lecture will start. All presentations will be loaded onto our computers and will be deleted after the talks.

We will provide you with further information in March 2015.

Travel & hotels

Save up to 20% on travel with the Star Alliance Network! For further information please click [here](#).

We recommend to book your hotel accommodation as soon as possible. We have allocated several contingents in different hotel categories in the surrounding area of the venue, indicated [here](#).

For further information on travel and hotels please visit the congress website www.isprm2015.org.

Scientific programme

The scientific programme is almost set up finally. The programme planner to create and save your individual programme can be found [here](#).

Publication of abstracts

All accepted abstracts presented at the ISPRM 2015 will be published in an e-journal edition of the "Journal of Rehabilitation Medicine".

We are looking forward to meeting you in Berlin, Germany in June!

Oliver Ong
