

The 13th Asian and Oceanian Congress of Child Neurology

第13屆亞澳小兒神經醫學大會

Dear Dr. Mahmoudreza Ashrafi,

On behalf of the organizing committee of 2015 the 13th Asian and Oceanian Congress of Child Neurology (2015 AOCCN), we sincerely invite you as one of the invited speakers in the field of 'White Matter Diseases'. 2015 AOCCN, organized by *Taiwan Child Neurology Society*, will be held from May 14 to 17, 2015 in Taipei, Taiwan.

The main topic of 2015 AOCCN is "New Vision to Child Neurology", and we would like to provide a platform for the experts, practitioners and the scholars from all over the world exchanging their research results and communicating new ideas about seizure disorders, neurometabolic disorders, CNS infections, neuromuscular disorders and other 16 important themes.

Your speech is scheduled as below:

Session	Speech Topic	Speech Time
White Matter Diseases	Leukodystrophy in Children	In the afternoon of May 16, 2015

To show our gratitude for your support, we would like to offer you the following compensations:

1. Free Registration

If you accept our invitation, please offer a latest brief personal curriculum vitae (publication is not necessary) within one page and one photograph that pixel should provided over 300dpi by **Feb 28, 2014**. We hope you will be able to join us and contribute to the continued success of 2015 the 13th Asian and Oceanian Congress of Child Neurology. We are ready to give all of you a warm welcome and looking forward to seeing you in Taipei.

Sincerely yours,

Dr. Wang-Tso Lee,
Chairperson, Scientific Committee, 2015 AOCCN

Dr. Yuh-Jyh Jong,
President, 2015 AOCCN

Dr. Huei-Shyong Wang,
President, Taiwan Child Neurology Society
