30 June 2017

Dear Jafar Ai,

**Subject:** Paper Abstract Acceptance- ICANM 2017

We are pleased to inform you that your paper entitled **Study of properties of chemically cross-linked silk nanofibrous mat as a nerve guide** has been accepted for poster presentation at the ICANM 2017: International Conference & Exhibition on Advanced and nano Materials that takes place August 7-9, 2017, in Toronto, Canada.

Please note that all presenting authors must register for the conference; otherwise their paper will be removed from the conference technical programming.

We will send you later an email notification as to when your presentation is scheduled. Please also note that most travelers entering Canada must obtain a visa. In order to receive an official Letter of Invitation for your visa application, you must have paid the conference registration fee. If you have done so, you may request an official letter of invitation.

Thank you again for your abstract submission and we look forward to seeing you in Toronto.

Sincerely,

On behalf of ICANM 2017 Technical Committee
