Dear Dr. Arash Dalvand

We are pleased to inform you that your abstract titled: “Adsorption of Reactive Blue 19 azo dye from Textile Wastewater by Fe3O4 magnetic nanoparticles: Kinetic and Equilibrium studies” and authored by Arash Dalvand, Ramin Nabizadeh, Mohammad Reza Ganjali, Mehdi Khoobi, Shahrokh Nazmara, Razieh Sheikhi, Sara Sadat Hosseini, Seyed Nejat Moussavi, and Amir Hossein Mahvi, after the peer review, has been accepted for oral presentation at the congress and publication in proceedings of 3rd International Congress on Nanoscience & Nanotechnology (ICNT2015), Istanbul, Turkey, Jul. 2015.

The “3rd International Congress on Nanoscience & Nanotechnology (ICNT2015)” scheduled from 2-3 July 2015 in Istanbul, Turkey. This Conference will be a joint effort of the Hacettepe University that aims to primary goal of the conference is to promote research and developmental activities in all nano related subjects. Another goal is to promote scientific information interchange between researchers, developers, engineers, students, and practitioners of different parts of the world. The conference will be held regularly to make it an ideal platform for people to share views and experiences in all nano related subjects.

Looking forward to seeing you at what promises to be a most exciting meeting.

Sincerely yours
