

ERS

EUROPEAN RESPIRATORY SOCIETY

INTERNATIONAL CONGRESS 2015

AMSTERDAM netherlands, 26-30 september

Tuesday 21 July 2015

Dear Dr. Aliannejad,

We are pleased to inform you that your abstract entitled: "**Serum metabolomic analysis of mustard airway diseases by nuclear magnetic resonance spectrometry: A pilot study**" has been selected for presentation in Thematic Poster entitled "**Inflammation and remodelling in lung disease**" at the ERS Amsterdam 2015 International Congress. The session will be held on **29-09-2015** from **12:50** to **14:40** in "**Hall 14-14**".

Read carefully the instructions on how to prepare your abstract presentation on our website :
<http://www.erscongress.org/programme-2015/guidelines-for-faculty-and-authors.html>

In order to increase the visibility of your abstract during the congress, authors of an accepted abstract will be encouraged to create an electronic version of their work, called E-Poster. A database with all E-Posters will be accessible throughout the congress at the E-Poster area onsite. A personal **password** and **login** (that will be sent to aliannejad@tums.ac.ir) to access the link and create your E-Poster online will be sent to you in July as well as E-Poster creation guidelines and poster models to help you in the process. Every delegate can access the platform, consult and comment your E-Poster during the Congress. *N.B. the creation of E-Poster is recommended for all accepted abstracts.*

We would like to point out that:

1. At least one of the authors (the presenting author) must be a registered participant at the Congress. In order to register, please go to: <http://www.erscongress.org/registration.html>.
2. No change can be made to the abstracts
3. Real or perceived conflicts of interest that relate to your presentation have to be disclosed when presenting your abstract (on poster or on slide presentation) and on your E-Poster.
4. If, for any reason, you have to cancel your presentation, it is important that you notify us immediately. Please use the following contact details:
 - To cancel your abstract presentation both in the *Programme* and the *Abstract book*: ERS Scientific Dept. in Lausanne by fax: +41 21 213 01 00; or by e-mail: scientific@ersnet.org
 - To cancel your registration to the Congress: KIT Group by e-mail: ers2015registration@kit-group.org

If you will not be the one presenting the abstract, we would be grateful if you could pass on the information in this letter to the person concerned.

Yours sincerely,
ERS Scientific activities department on behalf of

Stephen Holgate, Science Council Chair

N.B. No-shows:

Every year, a number of authors with accepted abstracts fail to attend the Congress or to present their work.

We wish to remind you that if you do not show up, or do not have a co-author present in your place, you may not be invited to present your work at future ERS meetings.
