MR in RT Symposium 2019 Abstract <abstract@events.decorporate.ca>
to me

7th MR in RT Symposium 2019

June 23 - 25, 2019 | Delta Hotels by Marriott Toronto, 75 Lower Simcoe St

Dear Nader Riyahi Alam

On behalf of the MR in RT Planning Committee, thank you for submitting your abstract entitled IMPROVING MEGAVOLTAGE X-RAYS RADIOTHERAPY EFFICACY: USING THERANOSTIC GADOLINIUM-BISMUT NANOPARTICLES (48572) in the call for abstracts. The MR in RT Symposium will be held at the Delta Toronto at 73 Lower Simcoe in Toronto from June 23-25, 2019.

We received a record number of abstracts and am happy to inform you that your abstract has been accepted in the Long Talks category. Your new abstract number is 58. Your presentation is scheduled in the Proffered Papers - Dosimetry in Magnetic Field on 2019-06-24 (Monday) from 05:00 PM to 06:00 PM. Please note that 10 minutes has been allotted for your presentation. We would like to ensure sufficient time for question, answer and audience participation. We ask that you limit your talk to 7.5 minutes and allow 2.5 minutes for discussion. Attached is the preliminary program and it can also be viewed on the website at www.mrint2019.com. Please bring your presentation on a usb and see the audiovisual technician during the breakfask, break or lunch time before your session to upload your talk.

Thank you and we look forward to seeing you in Toronto!

Sincerely,
