Dear Dr. Tahmineh Mokhtari
Tehran, Iran

Thank you for your interest to the **XXIV International Symposium on Morphological Sciences** which will be held in Istanbul University, Faculty of Science, Prof. Dr. Cemil Bilsel Congress Hall, Istanbul between 02– 06 September, 2015.

Your text titled

“Decreased Efferents of Mesencephalic Raphe Nuclei to Striatum in Animal Model of Streptozocin-Induced Diabetes”

has approved by Scientific Committee as a ‘**poster text**’ for presenting in the symposium.

The conditions of preparing poster

1. The posters should be prepared in 70cm – 100cm dimensions and can be read from 1 m distance.
2. Poster hanging dates will be announced via congress web page on next days.
3. Scissors, scar, glue, adhesive tape, mastic tape and other all necessary equipment will be available for your poster presentation. Please ask our staff at poster area.

We would like to remind you to make your registration to the Symposium as a participant for your text publishing.

Please, do not hesitate to contact us for further information.

Kind Regards

Prof. Dr. Erdogan Sendemir
Co-President
