Dear Abbas,

On behalf of the 2015 Indian Ocean Rim Laboratory Haematology Congress organizing committee, I am pleased to inform you that your abstract, "Evaluation of alpha globin gene mutations among different ethnic groups in Khuzestan Province" has been accepted as an **Oral presentation** in the Free Communication session, 1:30pm - 3:00pm, Thursday 15th October 2015. Your presentation length is 15 minutes which includes 3 minutes for questions. (I.e. 12 minute presentation plus 3 minutes questions). Further details about your position within the session will be provided to you in the coming weeks.

If you have not yet registered for the congress it is imperative that you do so now. Please use this link to log on and register: <https://members.asnevents.com.au/register/event/1391>.

Your presentation is to be loaded directly onto the PC at the front of the room at least a full session in advance of your session. You should bring your talk on a USB, saved in a format for display on a pc within the room (I.e. Powerpoint).

An ASN staff member will be on hand to assist with any transfer / loading issues and to help you check your presentation. Please note there are no Macintosh computers in the presentation rooms. If you wish to use your Macintosh please ensure you bring the appropriate projector converter cables.

If you require a VISA to attend the congress please ensure you follow the instruction provided on the congress website here: <http://labhaem2015.org/international-delegates/>.

Please visit the website for more details <http://labhaem2015.org/>.

We look forward to seeing you in Fremantle, Western Australia.

Regards

Nitesh Patel
