Dear Dr. Fard-Esfahani,

Thank you very much for submitting your work for the EANM'15 - Annual Congress of the European Association of Nuclear Medicine (October 10 - 14, 2015 in Hamburg/Germany).

I am pleased to inform you that your abstract:

Radioioeine Retreatment or Wait for a Limited Time in Patients with Differentiated Thyroid Carcinoma with Negative Thyroglobulin and Antithyroglobulin, but Remained Thyroid Residue after Post-Surgery Radioiodine Ablative Therapy?

was accepted as a Poster presentation within the Scientific Programme of EANM'15.

Please find below your presentation details:
