Dear Masoumeh Douraghi,

Abstract number: 4522

Title: *Diversity in PCR ribotypes of Clostridioides difficile isolates recovered from clinical and non-clinical origins in Tehran, Iran*

Thank you for having submitted your work to ECCMID, 13 – 16 April 2019, Amsterdam, Netherlands. The ECCMID 2019 Programme Committee is pleased to inform you that the above-mentioned abstract has been allocated to the following session type:

**Session type: Paper Poster Session**

Information on the session title and the timing will follow as soon as possible, but no later than 10.02.2019.

Please find all technical information regarding your session on our [website](#). If you are not the presenting author, please forward this notification to the presenting author and inform the Abstract Team at [eccmidabstracts@escmid.org](mailto:eccmidabstracts@escmid.org).

For those of you, who have a presentation in an oral session: Please note that you are required to list any disclosures in the first slide of your presentation.

The final scientific programme will be available online on [www.eccmid.org](http://www.eccmid.org) in late February 2019; the abstracts bodies will be released 3 April 2019.

If you have not yet registered for the meeting, please do so now online on the ECCMID website. Please note that abstracts without a registered presenting author will not be part of ECCMID 2019. The presenting author must register before 28 February 2019 to ensure publication of the abstract in the ESCMID eLibrary and on the congress website. If you are unable to attend please advise us of your withdrawal before 28 February 2019.
