Abstract Control ID#: 2303016

Abstract Title: **Comparison of Different Diagnostic Techniques in Detecting Approximal Caries**

Dear Hoda Bahramian,

It is a pleasure to inform you that your abstract has been ACCEPTED for **oral presentation** at the 47th Meeting of CED-IADR co-hosted by NOF. The meeting will take place in Antalya, Turkey.

Please note that some colleagues have provided an alternate email address for notification, so if this letter is addressed to a colleague, please forward it to his/her attention. Email notifications are sent only to the address provided for the presenter when the abstract was submitted; it is the presenter's responsibility to notify co-authors.

DO NOT lose this notification. The mode of your presentation has been assigned by the Congress Organizers and must be followed as we are unable to change it at this date. Assignments were based on authors' requests as much as possible.
