Dear AFCC 2018 Oral Presenters

28 August 2018

Dear Dr. Kaveh Hosseini,

Greetings from AFCC 2018.

On behalf of AFCC 2018 scientific committee, we would like to apologize for the change in program. So, please be advised your new presentation date and time as below.

The total presentation time is 10 minutes which inclusive of 7 minutes presentation and 3 minutes Q&A. The room will be updated in the website, <http://afccbkk2018.com/scientific-program/program-at-a-glance/> and subject to change.

Session Date: 28-Sep-18

Session Time: 13.30-15.00

Free Paper Session: B

Paper number: 103

Paper Title: Pre-diabetic state: outcome and prognosis after coronary bypass graft surgery, do we need to change our belief? A historical cohort study

Please find the instructions for presenter in <http://afccbkk2018.com/scientific-program/instructions-speakers-oral-presenters/>.

AFCC 2018 offers Best Paper Awards to the best 2 Oral Presenters. The winners will get a complementary registration (reimbursement), certificate and USD 200 each with below conditions.

- > Winners must be present at the prize presentation (Gala dinner on 29 September 2018) to receive the prizes and certificate and complementary registration
- > If absent, winners will receive certificate and complementary registration but not cash prizes

We are pleased to extend early bird registration rate for all submitters until 31 August 2018. Please proceed to register in <https://kenesasia.eventsair.com/afcc-2018/submitter-registration/Site/Register>.

Failure to register before 31 August 2018 will result to automatic cancellation of accepted abstract from inclusion in the scientific program and conference proceedings.

Best Regards,
Scientific Committee, AFCC 2018
