

Embrace and empower rehabilitation:
from knowledge to practice

Kuala Lumpur, Malaysia
May 29th - June 2nd, 2016

10th World Congress of International Physical and Rehabilitation Medicine (ISPRM)

May 29th- June 2nd 2016; Kuala Lumpur, Malaysia

Ref. No.: ISPRM-1170

Dear Mostafa Azimi

On behalf of the Scientific Committee, we are pleased to advise the abstract you submitted for the upcoming ISPRM 2016 Congress, entitled:

Comparing clinical indicators and neurophysiological findings of Sural and Peroneal nerves in detection of diabetic neuropathy

has been accepted for poster presentation at the congress.

Further details regarding scheduling and exact presentation details will be sent to you in due course.

Please note that **presentations of paid participants only will be included in the programme**. We kindly ask you to register for this event. The early registration deadline has been extended to **March 8**. If you have not yet submitted your registration, kindly do so **by this date** to ensure your presentation will be included in the programme.

The congress website is being continuously updated. Please do visit the website regularly for updates: <http://www.isprm2016.com>

We are looking forward to this exciting congress and thank you for your important contribution.

Sincerely

ISPRM 2016 Secretariat
