## INVITATION LETTER

To,  
Assist. Prof. Seyed Masoud Arzaghi,  
Tehran university of medical sciences, Iran, Islamic Republic of  
E-mail: [dr.arzaghi@gmail.com](mailto:dr.arzaghi@gmail.com)

Dear Assist. Prof. Arzaghi,

The **European Medical and Clinical Congress (EMCC 2017)** is a principal annual international conference in the field of medical and clinical sciences organised by the VBRI AB and supported by International Association of Medical and Clinical Sciences during 22 - 24 August 2017, Stockholm, Sweden. The goal of congress is to provide an international research and education forum for the medical and clinical professionals, researchers, educators and students working in the all areas of medical and clinical sciences including clinical medicine, disease diagnosis and treatment, surgery, medical studies and practices, medical findings, oncology, physiotherapy, translational medicine, pharmaceutical research and developments, nursing, pharmacy and dentistry.

We are pleased to accept your abstract and invite you to join us in this important international event to contribute your own expertise and present (**Oral**) your work entitled, **‘Type II diabetes and personality; a study to explore other psychosomatic aspects of diabetes’**.

Please note that all delegates are responsible for the payment of their own registration fees and accommodation. EMCC delegates (including speakers) will not be funded by the congress organisers.

We look forward to welcome you in Stockholm.

Yours sincerely

(**Prof. Ashutosh Tiwari**)  
Executive Chair  
European Medical and Clinical Congress, Sweden
