Abstract ID: 1884

Listed Presenter: Dr. Haniye Sajadi

Dear Dr. Haniye Sajadi,

On behalf of the Fifth Global Symposium on Health Systems Research (HSR 2018), we are pleased to inform you that your submitted abstract (listed above) has been accepted as **a poster presentation**.

HSR 2018 is anticipated to be a landmark event, with more than 2,000 delegates from around the world expected to attend. The Symposium will highlight innovative approaches to strengthening health systems using health systems research to generate evidence for decision-making, best practices and capacity building to inform health policies and programming.

A poster is defined as a physical printed display. Posters will be displayed during the main conference (10-12 October). Poster sessions will take place each day during the lunch breaks. Poster presenters will be asked to be beside their poster on the assigned day during this break period, and to make a short oral presentation to the poster judges.

Details of the day of your poster presentation along with guidelines will be emailed to you once the program is complete in July.

HSG Travel scholarships will be announced in late May, however, please note there are very limited scholarships available.
