Dear Prof Seyed J Shahtaheri

We are pleased to learn that you intend to attend the EPICOH 2016 and/or X2016 and/or RHICOH 2016 taking place from 04-08 September, 2016 in Barcelona, Spain.

Thus - on behalf of the Organizing Committee - we gladly extend to you a cordial invitation to take part in this international meeting and share your experience with colleagues from all around the world. Leading personalities in your field will gather in Spain to debate and evaluate new basic findings and studies.

Your participation in the conference program is essential for the success of the meeting: the more diverse the delegates' backgrounds, the more prolific the exchange and generation of knowledge.

Budget constraints, unfortunately, prevent us from providing any financial support to participants. Delegates are responsible for all costs related to the conference and visa requirements.

We look forward to welcoming you to Spain!

Yours sincerely,

Manolis Kogevinas  
Organizing Committee
