Greetings from Scientific Federation!

We cordially invite you to attend as a speaker for the "2nd International Congress and Exhibition on Pharmacy" held on August 20-21, 2018 at Paris, France. In this regard, on behalf of the Organizing Committee, we are delighted to inform you that, your presentation work has been accepted for the *Poster Presentation* on "Targeting a novel therapeutic option in the treatment of depression: *Micromeria myrtifolia* Boiss. & Ho A case of the primary Biliary Tract Tuberculosis with subsequent pulmonary presentation" at ICEP-2018.

The 2nd International Congress and Exhibition on Pharmacy is being conducted at Paris, France. Pharmacy-2018 is a scientific congregation brings together researchers, scientists, key decision makers, and industry professionals in the same physical space for a brief yet intense period of discussion, collaboration, and addressing related problems in research.

We believe this conference will be a highly rewarding educational and networking experience for all. Additionally, we encourage you to take this opportunity to explore the many facets of Paris and to experience the unique France culture.

We look forward to seeing you in Paris, France.
