

**St. Gallen, June 2018**

**Biointerfaces *International* Conference, 14-16 August 2018, University of Zurich, Zurich, Switzerland**  
**A conference on science, technology and translation**

Dear Presenter at Biointerfaces *International* Conference

With great pleasure we officially confirm that your application for a presentation has been accepted by the Conference Organizing Committee. Congratulations!

**You have been selected for a Poster Presentation.**

**Session Topic: Functional Material-Biology Interfaces (to Tissue, Cells, Bacteria, Enzymes/Proteins)**

As you have been selected for a Poster Presentation, please find below additional, organizational information regarding your presentation.

If you have questions, please contact us at [info@biointerfaces.ch](mailto:info@biointerfaces.ch).

Kind regards

Dr. Jörg Güttinger

Chair of the Local Organizing Committee

Prof. Katharina Maniura

Chair of the Scientific Committee

## Poster Presenter Guidelines Biointerfaces *International* Conference

The poster boards will be provided by Biointerfaces *International* 2018, Zurich.

Posters can be pinned on the boards by using detachable adhesive tape or pins.

### Posters must meet the DIN A0 format:

- Height: 119 cm
- Width: 84 cm

The posters have to **be attached** by **Tuesday August 14, 9.00 am until Thursday August 17, 3.00 pm** so that the poster award jury can make the selection and all participants have the possibility to see the posters during all sessions.

Posters which are not picked up at the end of the Poster Session **will not be returned** by the Organizer.

Please note that the posters have to be attended during the lunch breaks and the Poster Sessions.

### Award Opportunity

Biointerfaces *International* 2018, Zurich will offer awards for the best poster contributions. The authors will receive a cash award!
